

REV GROUP INTRODUCES INNOVATIVE AFTERMARKET PARTS OFFERINGS THROUGH REV PARTS

Jun. 22nd, 2018

Additions of unique specialty vehicle parts highlights REV Group's commitment to aftersales support for dealers and retail customers

MILWAUKEE--(BUSINESS WIRE)-- REV Group (NYSE:REVG), a manufacturer of industry-leading specialty vehicle brands and a leading provider of parts and services, has introduced a series of innovative aftermarket product offerings during the first half of 2018 through its parts division, REV Parts, LLC. Introductions are aimed at developing a comprehensive and cutting-edge portfolio of specialty vehicle parts. Key introductions during the first half of 2018 include the following:

ZeroRPM Idle Mitigation System

REV Parts has partnered with [ZeroRPM](#) to be the exclusive provider of ZeroRPM's Idle Mitigation System for specialty vehicles. ZeroRPM's Idle Mitigation System cuts vehicle operating costs and reduces environmental impact by allowing vehicles to run without idling the engine. This allows operators to use A/C, heat, auxiliary power and internal systems while reducing operating costs and environmental impact.

RV Toll Pass

REV Parts is the exclusive provider of the newly introduced the [RV Toll PassTM](#) from TransCore. RV Toll Passenables recreation vehicles of all types to access the nation's Open Road Tolling facilities with a single transponder. This new product allows RV owners who travel across the U.S. to take advantage of lower toll rates and easily manage toll payments from their computer – creating a more efficient and seamless travel experience.

Vital Vio Antibacterial White Light

REV Parts is excited to announce the addition of Code 3, Inc.'s Patient Compartment Light powered by [Vital Vio's VioSafeTM](#) White Light DisinfectionTM Technology. These innovative vehicle lights provide continuous disinfection of bacteria on objects and surfaces along with safe illumination with precisely engineered wavelengths of visible light. Vital Vio lights have powerful applications in a variety of specialty vehicles including ambulances, busses, motor coaches and RVs.

ADCO Protective Covers

REV Parts has added [ADCO Products](#) to its lineup of RV accessories. ADCO is the RV industry's most respected provider of RV covers. Products span full vehicle covers, windshield covers, propane tank covers and wheel guards.

These new product offerings and vendor partnerships further REV Parts' commitment to serving dealer and end

customer needs, making it efficient and easy to find top quality parts and accessories.

About REV Group

REV ([REVG](https://www.revgroup.com)) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). REV's brand portfolio consists of 30 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV's brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
