Vital Vio Antibacterial White Light

REV Parts is excited to announce the addition of Code 3, Inc.'s Patient Compartment Light powered by Vital Vio's VioSafe™ White Light Disinfection™ Technology. These innovative vehicle lights provide continuous disinfection of bacteria on objects and surfaces along with safe illumination with precisely engineered wavelengths of visible light. Vital Vio lights have powerful applications in a variety of specialty vehicles including ambulances, busses, motor coaches and RVs.

ADCO Protective Covers

REV Parts has added ADCO Products to its lineup of RV accessories. ADCO is the RV industry's most respected provider of RV covers. Products span full vehicle covers, windshield covers, propane tank covers and wheel guards.

These new product offerings and vendor partnerships further REV Parts' commitment to serving dealer and end

customer needs, making it efficient and easy to find top quality parts and accessories.

About REV Group

REV (REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). REV's brand portfolio consists of 30 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV's brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
