

# PACE AWARDS ENC WITH 23 TRANSIT BUS ORDER AS PART OF FIVE-YEAR CONTRACT

Sep. 12th, 2019

RIVERSIDE, Calif.--(BUSINESS WIRE)-- EIDorado National-California (ENC), a subsidiary of REV Group and manufacturer of heavy-duty transit buses, received an award of contract to supply 23 Diesel Axess 30' buses to Pace, the suburban bus division of the Regional Transportation Authority in the Chicago metropolitan area. This is the first release of a five-year contract with a provision for 164 Diesel Axess 30' buses. The contract award is estimated at over \$80 million in revenue over the contract life, along with related optional vehicle features, spare parts and training.

ENC has worked with BRT and Diesel / CNG. It was certified for 3-pair any application, as we Altoona tested for 12'.

"We are very pleased to have ENC's buses designed for the Chicago area," said National California.

Pace provides transportation services in DuPage County; and a

## About EIDorado-National California

EIDorado-National California (ENC), a subsidiary of REV Group, has manufactured low floor and standard floor buses for over 45 years to public transit/paratransit, airport, parking and university transportation markets. ENC is best known in the industry for its customizable options including thousands of floorplan configurations, as well as ensuring unparalleled manufacturing and safety standards. All ENC models pass a comprehensive battery of durability and crash tests. ENC can also accommodate nearly any fuel system request – including one of the greenest buses in the industry; the Zero Emissions, hydrogen-powered Axess-Fuel Cell. All buses are crafted in the state-of-the-art 227,000 square-foot, ISO 9001 certified production facility in Riverside California.

## About REV Group, Inc.

REV Group (REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. We provide customized vehicle solutions for applications including essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles 'RVs', and luxury buses). Our brand portfolio consists of 29 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of our brands pioneered their specialty vehicle pro

categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-
