

REV GROUP ANNOUNCES NEW SEAT BELT INNOVATION TO PROTECT PASSENGERS

Sep. 10th, 2018

REV Group ambulance brands expand partnership with IMMI, continue dedication to first-responder safety

MILWAUKEE--(BUSINESS WIRE)-- REV Group (NYSE: REVG), a manufacturer of industry-leading specialty vehicle brands and leading provider of parts and services has extended its partnership with Indianapolis-based IMMI to offer their new Per4Max four-point seat belt technology on REV Ambulance brand vehicles.

The Per4Max seatbelt is designed to keep patients safely secured while remaining safely positioned inside the belt, which is designed to “lock” in place in the event of a crash, Per4Max’s contoured design provides additional protection to the head and chest of ambulance patients.

REV Ambulance Group is proud to be a partner in safety innovation with IMMI. “The Per4Max seatbelt is a standard feature on all REV Ambulance brand vehicles and is available throughout the country,” said Bob Horton, CEO of REV Ambulance Group. “We are excited to continue to offer the safety of this technology to our customers and the communities they serve.”

About REV Group

REV (NYSE: [REVG](#)) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles (“RVs”) and luxury buses). REV’s brand portfolio consists of 30 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV’s brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
