owners' wish lists."

On the technology side, WiFiRanger™ is included to boost an existing Wifi Signal. The MultiPlex house control comes with a larger format seven-inch digital display that's more convenient and easier to operate. The dash stereo includes a 10.1" tilt screen with Apple® CarPlay and Android Auto compatibility.

On the exterior, the Eclipse® model has dual-roof air conditioners, convenient slam latch luggage doors, and is pre-wired to add solar panels. An exterior entertainment center with an LED TV and powered awnings also come standard.

Built on a 22,000-pound chassis, the Eclipse RV has a Ford® 7.3L V8 engine that generates 350 horsepower at

RV, we've made a list of the most popular elements typically 'add-ons,'" said product manager for Holiday Rambler's Class A

features for day-to-day use. The Hide-A-Loft™ is a full-sized residential-style refrigerator providing a Serenity king bed in a compact space. It's a comfy night's sleep and adds extra sleeping

"The Hide-A-Loft inclusion is significant because it allows the RV to expand and grow with a family and makes it possible to bring extra guests on the road," said Miller. "In fact, the drop-down bed is one of the top items on

pound-feet of torque. The Eclipse's tow hitch is rated at 8,000 pounds.

Eclipse Motorhome Makes a Statement

"In the industry, we refer to the important exterior elements as 'caps, colors, and chrome,'" said Miller. "We specifically designed the Eclipse model to have a striking exterior that makes it distinctive."

Starting at the front, the grill has a more "aggressive" look with modern chrome accents. The full-body, four-color paint comes standard, and the Eclipse's graphics are unique. Instead of a typical swirl pattern, the graphics have sharp lines and angles, delivering an edgier look and feel. Finally, the rear is a one-piece fiberglass cap with upgraded lighting features.

The Eclipse's exterior color choices include: a red and gray color scheme; a silver and blue combination; and gray with green accents.

Three Floorplans

The Eclipse motorhome is available in three floorplans – 32S, 34J, and 35R – that range in length from 32' to 34' to 35'.

"The floorplans we create are based on what we've got a multiple things in mind."

32S – The 32', twin-slideout floorplan features a Dream Dinette, a large slideout bed, a large pantry in the rear, and a slideout sofa.

34J – The 34', single-slideout floorplan features a jack-knife sofa, full-length vanity, a large sink, and pass-through windows.

35R – The 35', twin-slideout floorplan features a jack-knife sofa, Dream Dinette, a large slideout bed, a large slideout sofa, a large slideout vanity, a large sink, and a large slideout window.

Interior Décor

On the style side, to add to the Eclipse's exterior, there are wood paneling, wood paneling, and feature walls. The interior is a mix of woods – and three different types of wood. The interior of the coach and the galley boasts attractive solid surface countertops.

The Eclipse from Holiday Rambler has a starting MSRP of \$199,888.

Holiday Rambler is a brand within REV Recreation Group, Inc., a subsidiary of REV Group, Inc.

About REV Recreation Group, Inc.

REV Recreation Group, Inc. is a REV Group subsidiary and a leading manufacturer of Class A Gas and Diesel recreational vehicle brands. This company has one of the best and longest standing distribution networks in the industry and boasts some of the industry's most recognized and iconic brand names such as American Coach®, Fleetwood RV®, and Holiday Rambler®. Headquartered in Decatur, IN, which is also its principal manufacturing location, it operates two state-of-the-art service and repair centers and a genuine parts online warehouse.

About REV Group, Inc.

REV Group companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services, which serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. They provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers), and consumer leisure (recreational vehicles). REV Group's diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of REV Group's brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
