

REV GROUP FIRE DIVISION PARTNERS WITH HAAS ALERT FOR USE OF SAFETY CLOUD SERVICE IN E-ONE, FERRARA AND KME TRUCKS

May. 30th, 2018

OCALA, Fla.--(BUSINESS WIRE)--REV Group, Inc. (NYSE:REV), a leading designer, manufacturer and distributor of specialty vehicle brands, has entered a partnership with HAAS Alert, a mobility and smart city data service provider, to integrate HAAS Alert's Safety Cloud service into the fire apparatuses of E-ONE, Ferrara and KME trucks.

E-ONE, Ferrara and KME trucks are equipped with the HAAS Alert Safety Cloud to allow fire departments to use the HAAS Alert emergency vehicles and responder-to-vehicle communication for emergency response. The new service will enable fire departments to receive real-time alerts from the HAAS Alert Safety Cloud when a fire department's E-ONE, Ferrara or KME truck is on the scene of an emergency.

"HAAS Alert's Safety Cloud service is a game-changer for fire departments," said Jay Johnson, Vice President of Product Development at HAAS Alert. "Fire Departments are always looking for ways to improve their response time and that happen."

Cory Hohs, CEO of HAAS Alert, said, "We are excited to bring our HAAS Alert technology to the First Responder market through this partnership. These innovations make our communities safer."

About REV Group, Inc.

REV (REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. We provide customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). Our brand portfolio consists of 30 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG

About HAAS Alert

HAAS Alert is a mobility and smart city data service provider keeping emergency crews, drivers and the public safe through R2V (Responder-to-Vehicle) and R2R (Responder-to-Responder) communication that alerts drivers when

emergency responders are en route to a call and on-scene. Drivers and emergency crews use the information to avoid collisions and reduce traffic delays. To learn more, visit www.haasalert.com or press@haasalert.com.
