

# REV GROUP AND RYDER COLLABORATE TO PROVIDE A NEW, FIVE-STAR NATIONWIDE MAINTENANCE PROGRAM FOR REV BUS DEALERS & THEIR CUSTOMERS

May. 9th, 2017

MILWAUKEE--(BUSINESS WIRE)--REV, a leading specialty vehicle brand, has announced a service partnership with Ryder, a leading provider of transportation, and support services to the customers of REV, including Greyhound, Greyhound Lines, and World Trans.

The new partnership will combine REV's on-site and on-demand maintenance services with Ryder's extensive maintenance network to supplement REV's existing service offerings to the customers of REV, including Greyhound, Greyhound Lines, and World Trans.

Under the Ryder SelectCare service — SelectCare — REV offers a maintenance option giving large fleets the ability to control costs and maximize uptime. The on-demand option gives REV customers access to Ryder service centers nationwide, so help is available when and where needed.

Tim Sullivan, CEO and President of REV Group, commented, "The REV/Ryder partnership creates an industry-leading service for bus customers that no one else in the industry can offer. Coupled with our dealer network and REV Technical Centers, Ryder's maintenance program now greatly expands our customers' access to maintenance service, utilizing hundreds of Ryder service locations across the nation. The new partnership truly demonstrates the REV Group commitment to provide customers service before, during and after the sale."

Dennis Cooke, President of Fleet Management Solutions for Ryder, further added, "Ryder is pleased to partner with REV Group, whose vehicles, much like Ryder's, have a positive impact on the daily lives of thousands of people. It's essential that REV's buses are up and running to get commuters where they need to be, both safely and efficiently. We're happy that REV, REV dealers, and their customers can rely on us to deliver the most flexible maintenance solutions, with the most extensive network of service locations, and access to the best diesel technicians in the industry."

## About Rev Group, Inc.

REV (NYSE: REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. We provide customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). Our brand portfolio consists of 29 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
