

# REV GROUP FIRE DIVISION E-ONE ANNOUNCES TERRITORY EXPANSION FOR DESORCIE EMERGENCY PRODUCTS

May. 11th, 2017

OCALA, Fla.--(BUSINESS WIRE)-- REV Group (NYSE: REVG), a \$2+ billion manufacturer of industry-leading specialty vehicle brands and leading provider of parts and services, is pleased to announce the territory expansion for Desorcie Emergency Products, LLC, an E-ONE dealership, in New York.

E-ONE has been represented by Desorcie Emergency Products since 1988. Desorcie has an impressive list of customers in Vermont and New Hampshire as well as in the New York counties of Essex, Franklin and Clinton. The new, extended coverage in New York adds Hamilton, St. Lawrence, Warren, and Washington counties.

Desorcie Emergency Products brings many advantages to the expanded region, including:

- Extended mobile service with 24/7 territory coverage
- Newly constructed 5,100-square-foot service facility with 3 service bays
- Experience of over 500 trucks delivered in the Northeast

Desorcie Emergency Products Owner Garth Brooks has served as a firefighter for 25 years, and is currently an active firefighter for the Town of St. Albans, Vermont. While he has seen many changes in the industry, his business model remains the same, with a focus on building quality relationships. "Technology is great, but when it comes to knocking down a fire in sub-freezing temperatures," Garth tells us, "you need a dependable truck you can count on, whether that is a pumper, tanker, or an aerial. Customer care coupled with reliable follow through on your commitments is key and will never change. We are truly blessed to sell E-ONE vehicles and to provide routine and repair services to meet all of our customers' needs."

"With the expansion of Desorcie Emergency Products, the E-ONE dealer network continues to grow, providing even further capabilities to our New York customers," says E-ONE Key Account Manager Alan Hollister."

## ***About Rev Group, Inc.***

REV (NYSE: REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. We provide customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). Our brand portfolio consists of 27 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
