

AMERICAN COACH OFFERS RVERS RESORT-STYLE LIVING WHEREVER THEY ROAM

Apr. 12th, 2023

DECATUR, IN, April 12, 2023 (GLOBE NEWSWIRE) -- For those exploring the possibility of becoming full-time RVers, one common question or concern can be sacrificing some amenities which they are accustomed to at home.

Becoming a full-time RVer doesn't mean you have to give up 'at home' amenities at all. At American Coach, for example, our coaches are designed to provide the same level of comfort and convenience as a home. American Coach floor plans, including the [American Coach Signature](#), are designed with American Coach's luxurious, spacious living in mind.

The kitchen island in the American Coach Signature is a perfect example of the ingenuity in the floor plan. The kitchen island can make the most of the space when the slides are in, and it can be extended when the slides are out, so you can spread out and enjoy the view.

Some people choose to rent a coach for a short-term stay. With a short-term stay, you can enjoy the American Coach Signature floor plan. In addition, the American Coach Signature coach and the bed can be extended to provide more space for those who want to spread out and enjoy the view.

About REV Recreation Group, Inc.

REV Recreation Group, Inc. is a REV Group® subsidiary and a leading manufacturer of Class A Gas and Diesel recreational vehicle brands. This company has one of the best and longest standing distribution networks in the industry and boasts some of the industry's most recognized and iconic brand names such as American Coach®, Fleetwood RV®, and Holiday Rambler®. Headquartered in Decatur, IN, which is also its principal manufacturing location, it operates two state-of-the-art service and repair centers and a genuine parts online warehouse.

About REV Group, Inc.

[REV Group](#) companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services, which serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. They provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers), and consumer leisure (recreational vehicles). REV Group's

diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of REV Group's brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
