REV Ambulance Group has kept its eye on the future – continuously working with customers to improve upon today's ambulances and rescue vehicles. The goal has been to make emergency vehicles safer for both patient and crew, and at the same time, make them more efficient. A crucial part of delivering that commitment has been augmenting the strength of our dealer network.

About REV Group

REV ([REVG](#)) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). REV's brand portfolio consists of 29 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV's brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
