Jun. 21st, 2017

MILWAUKEE--(BUSINESS WIRE)-- REV Group, a \$2.4 billion manufacturer of industry-leading specialty vehicle brands and leading provider of parts and services, has expanded its market partnership with Kolaja Fire Equipment Sales, an emergency vehicle dealership located in Union City, Pennsylvania. Kolaja will now provide sales and service in the Western part of Pennsylvania for Wheeled Coach, the most-driven brand of ambulances. In addition to Wheeled Coach, Kolaja has been an exclusive, certified dealer for REV Group's Horton brand of ambulances since 1982.

Kolaja Fire Equipment Sales is a full service specialty vehicle dealership devoted to the Fire and EMS industry. With a 7,500 square foot facility, Kolaja provides complete vehicle service from basic preventative maintenance to collision repair. Understanding the critical need of keeping emergency vehicles on the road and in service, Kolaja also offers a program called "We Care". "We Care" provides customers with an "after the sale" service program on new vehicle(s). This program includes annual Pennsylvania State Motor Vehicle Inspection, periodical oil, oil filter, and lubrication, along with a complete check of all emergency vehicle-related systems.

"We're excited to further expand our dealer network with Kolaja now representing our Wheeled Coach brand in Western Pennsylvania," said Bob Collins, President, REV Ambulance Group. "Over thirty-five years in operation, Kolaja has grown steadily and provided Fire and EMS customers with the highest levels of service and support in their territory and we look forward to continued success with them as our dealer partner."

REV Ambulance Group has kept its eye on the future – continuously working with customers to improve upon today's ambulances and rescue vehicles. The goal has been to make emergency vehicles safer for both patient and crew, and at the same time, make them more efficient. A crucial part of delivering that commitment has been augmenting the strength of our dealer network.
