

REV GROUP NAMES NEW SVP, CHIEF INFORMATION OFFICER

Aug. 1st, 2022

BROOKFIELD, Wis.--(BUSINESS WIRE)-- REV Group, Inc. (NYSE: REVG), with leading companies that design and manufacture specialty vehicles in the fire & emergency, commercial and recreation industries, announces Sagar Murthy has joined the executive leadership team as SVP, Chief Information Officer (CIO). Murthy will assume the role of current CIO Peter Panagis who is retiring. Reporting to Rod Rushing, President and CEO of REV Group, Murthy will oversee Digital Transformation, Information Technology Strategy, Application/Infrastructure Operations and Business Value Creation across 20 manufacturing facilities which employ over 7,000 employees throughout the U.S.

About REV Group, Inc.

[REV Group](#) companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services, which serve a diversified customer base, primarily in the United States, through three segments: Fire &

Emergency, Commercial, and Recreation. They provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers), and consumer leisure (recreational vehicles). REV Group's diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of REV Group's brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
