REV Group has announced the acquisition of Renegade RV, a manufacturer of Class A motorhomes, enclosed trailers and travel trailers. The transaction is the latest in a series of acquisitions by the company's subsidiary of REV Group, American Coach, Holiday Rambler and Monaco Coach.

REV Group has announced the acquisition of Renegade RV, a manufacturer of Class A motorhomes, enclosed trailers and travel trailers. The transaction is the latest in a series of acquisitions by the company's subsidiary of REV Group, American Coach, Holiday Rambler and Monaco Coach.

Founded in 1997 and based in Bristol, Tennessee, Renegade RV occupies a 200,000-square-foot facility and will continue to promote its products and services.

Over the last 20 years, Renegade RV has built a reputation for quality and innovation. "Our team is excited to join the REV Group family," said Mike Lenciotti, Renegade RV President. "We are confident that our alignment with REV Group will allow us to continue to offer the best products and services to our customers."

Jim Jacobs, REV Recreation Group President, agreed.

"We are excited to welcome Mike and his outstanding team at Renegade, into the REV RV family," added Jim Jacobs, President of REV Recreation Group. "Product quality and craftsmanship are critical factors in the decision-making process for prospective RV buyers. Renegade RV's attention to detail in the production of vehicles is second to none. I truly believe Renegade RV now has all of the pieces in place to become a preeminent brand in multiple motorized RV segments."

Renegade RV's manufacturing operations will remain in Bristol, and all of its employees will continue to be integral to day-to-day operations and future growth plans.

"We are extremely excited to have Renegade RV join our team at REV Group, and I look forward to welcoming their talented group of employees," stated Tim Sullivan, CEO of REV Group. "Renegade RV brings a tremendous reputation and a world-class product portfolio that is highly complementary to our line of great American-made
