REV Group, Inc. (NYSE:REVG), a leading manufacturer of specialty vehicles, announces that Linas Polteraitis has been promoted to chief supply chain officer. He joined REV Group in September 2023 as the vice president of supply chain.

mitigation. He earned his Bachelor of Arts in Supply Chain Management from Michigan State University.

About REV Group, Inc.

"Linas has been instrumental in driving our procurement and operations," said Mark Skonieczny, CEO of REV Group. "Over his tenure, he has built a strong team and fostered strong partnerships. He has been a strategic and effective leader, and we are pleased to promote Linas to our Chief Supply Chain Officer."

Polteraitis joined REV Group, Polteraitis, as vice president of supply chain at Adient, where he led various initiatives and transformations

to generate increased sales and profitability. Before that, he was vice president, purchasing – direct materials at Adient; supply chain management director – Americas at Aptiv; and various progressive leadership roles in purchasing at ZF TRW, DMAX, Ltd., General Motors Corporation, and Isuzu Motors America.

With many career highlights and recognitions, Polteraitis received the CEO Award at Otis Worldwide for his activities related to COVID-19 and Global Supply Chain disruption.

REV Group companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services, which serve a diversified customer base, primarily in the United States, through two segments: Specialty Vehicles and Recreational Vehicles. The Specialty Vehicles Segment provides customized vehicle solutions for applications, including essential needs for public services (ambulances and fire apparatus) and commercial infrastructure (terminal trucks and industrial sweepers). REV Group's Recreational Vehicles Segment manufactures a variety of RVs from Class B vans to Class A motorhomes. REV Group's portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of REV Group's brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
