

REV GROUP FIRE DIVISION BRAND - FERRARA - WELCOMES FIRE MASTER APPARATUS AS DEALER IN KANSAS AND MISSOURI

Aug. 31st, 2017

HOLDEN, La.--(BUSINESS WIRE)-- REV Group (NYSE: REVG), a \$2.4 billion manufacturer of industry-leading specialty vehicle brands and leading provider of parts and services, welcomes Fire Master Apparatus as the Ferrara sales and service provider for Kansas and Missouri.

Fire Master Apparatus is a second generation family business with a proven track record over the past 45 years. Established in 1972, the Shelton family has expanded its business over the years – with sales and service facilities covering three of the largest metro areas in Missouri.

Fire Master Apparatus provides value-added services to customers through:

- Facilities located in Springfield, Eureka, and Kansas City, MO
- Certified Master EVT Fire and EVT Management service technicians
- Mobile service capabilities and apparatus pump testing

The Fire Master service center is led by Shaun Sigrest, who is also Master ASE Truck certified and was awarded the “2013 EVT of North America” by Fire Chief Magazine. “Fire Master is proud to represent the Ferrara Fire Apparatus line of heavy duty emergency fire and rescue apparatus to our long standing valued customers,” said Randy Shelton, President of Fire Master Apparatus. “We look forward to demonstrating the value of Ferrara’s high quality custom built units to new customer relationships.” “As we continue to grow our presence in the Kansas and Missouri markets, we are excited about this opportunity to provide great customer service to support our clients and sustain that growth,” said Jason Louque, Sales Director for Ferrara. “Fire Master Fire Apparatus is an established and well respected dealer in the Midwest and we are pleased to welcome them as one of our trusted Ferrara dealers.”

About REV Group

REV ([REVG](#)) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles (“RVs”) and luxury buses). REV’s brand portfolio consists of 29 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV’s brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
