The Veracruz is as powerful as it is luxurious. Built on a Ford F550 Super Duty Chassis with a Ford 6.7L Power Stroke V8 and 330 horsepower diesel engine, Veracruz provides 12,000

pounds of towing capacity. Available with two-wheel or four-wheel drive and featuring large fuel, fresh water and holding tank capacities, the Veracruz is fit for any type of RV travel from outdoor adventures to family road trips.

"The Veracruz is an exciting launch for Renegade RV. It breaks the mold for Class C RVs but has a wide appeal – it's powerful but functional and both rugged and luxurious," commented Mike Lanciotti, Vice President and General Manager of Renegade RV. "And, Veracruz highlights Renegade's legendary luxury and quality. We build our products to an incredibly high standard and Veracruz is no exception."

Veracruz is offered in two spacious floorplan designs, including a full-wall slide out option, and will be available at Renegade RV dealers beginning July 2018. To learn more about Renegade RV visit [www.renegaderv.com](http://www.renegaderv.com).
