

REV RECREATION GROUP REPORTS ITS MOST SUCCESSFUL FLORIDA RV SUPERSHOW

Jan. 26th, 2022

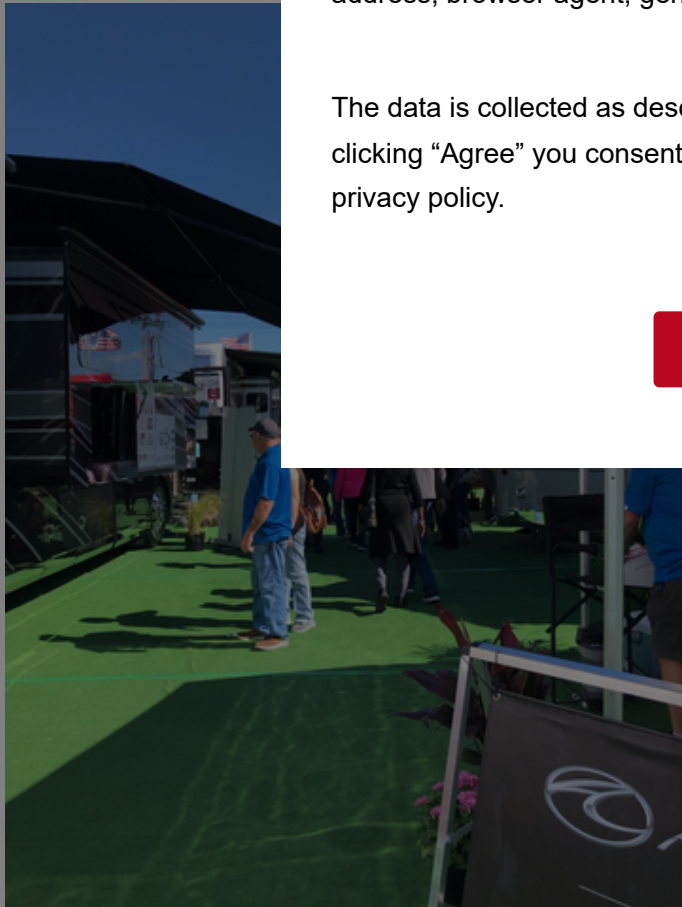

BROOKFIELD, Wisc.--(BUSINESS WIRE)-- REV Recreation Group announces its most successful show results at the 2022 Florida RV SuperShow. From January 19th to 23rd, customers were able to order and purchase new Class A, Class B, Super C and towable units from the American Coach®, Fleetwood RV®, Holiday Rambler®, Renegade RV™, Midwest Automotives® and more models on nearly 80,000 sq. ft. of display space.

This press release features photos from the show. For more information, visit <https://www.businesswire.com>.

REV Recreation Group announces its most successful show results at the 2022 Florida RV SuperShow. From January 19th to 23rd, customers were able to order and purchase new Class A, Class B, Super C and towable units from the American Coach®, Fleetwood RV®, Holiday Rambler®, Renegade RV™, Midwest

Renegade RV™

With a record number of sales at Tampa, Renegade eclipsed past show results with sales of its luxury Super C 2022 XL, Explorer, Verona®, Valencia®, and Vienna® models. The all-new Vienna 25VTBN received the most attention with many customers commenting it is the best twin bed model they had seen.

Lance® Camper

Lance Camper had a smaller display than previous years with eight Travel Trailers and eight Truck Campers; yet sold more than any of the past 10 years at the show. Customers included many first-time buyers and the team noted interest was undeterred with longer than normal lead times for delivery.

Automotive Designs™, and Lance® brands. (Photo: Business Wire)

Fleetwood RV®, Holiday Rambler® and American Coach®

Over 100 units sold across the three brands which sets a record over past shows. The Fleetwood Bounder® was the most popular Class A Gas model, and the Discovery® LXE received the most attention as the Class A Diesel. Customers appreciated the innovation in the new models, especially the island floorplans and the Adap-table™ Dinette.

Midwest Automotive Designs™

Nearly selling out of inventory of the Class B 2022 models, the award-winning Class B Gas [Ford Patriot® 148](#) was a show hit, not only amongst consumers, but also with multiple dealers. Setting the RV apart is its Eco-Freedom Package where owners have 600-amp service from a state-of-the-art lithium-ion battery power system that ensures the coach can run for up to eight hours without tapping into generator power.
