About REV Group, Inc.

REV Group companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services, which serve a diversified customer base, primarily in the United States, through three segments: Fire, Emergency Response, and Commercial.

DesRochers served as COO at Morgan Truck Division of JB Poindexter and led a team of 2,500 employees across 10 plants for the largest independent manufacturer of dry and liquid-hauled truck bodies. He also served as Chief Financial Officer for Morgan Olson. Prior to his career at Morgan Olson, DesRochers held various leadership roles with General Dynamics Land Systems Can Company, a subsidiary of General Dynamics Land Systems Corporation.

“Dan has a proven track record in Manufacturing Operations and Supply Chain Management in multi-plant environments and he has successfully led business turnarounds while building a performance culture,” said Rod Rushing, President and CEO, REV Group. “Our Fire business is well positioned for the future, and we look forward to Dan’s leadership of our team to better serve our customers and increase value for our shareholders.”

DesRochers earned a Bachelor of

Emergency, Commercial, and Recreation. They provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers), and consumer leisure (recreational vehicles). REV Group's diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of REV Group's brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG
