

DETROIT FIRE DEPARTMENT SIGNS MULT-YEAR CONTRACT WITH SPARTAN EMERGENCY RESPONSE

Mar. 5th, 2020

MILWAUKEE--(BUSINESS WIRE)-- Spartan Emergency Response, a subsidiary of REV Group and a leading manufacturer of fire apparatus, has been awarded a five-year contract with the Detroit Fire Department to supply the city with 35 vehicles. \$

The initial order includes one Smeal 100' Rear Mount Aerial and one Smeal 100' Mid Mount Platform.

"We are proud to continue our relationship with the Detroit Fire Department and look forward to serving them for the next five years," said Mike Smeal, President of Sales, Spartan Emergency Response.

All the new apparatus will feature a comprehensive safety system.

These are the first Spartan vehicles to feature the Cummins X12 400 HP engine. Spartan's new chassis offers more compartment space, including a larger rear compartment.

- Spartan Metro Star Chassis
- Darley PSM Single Stage Pump
- 500 US Gallon Water Tank
