

REV REMOUNT CENTER WINS FROST & SULLIVAN 2017 MANUFACTURING AWARD IN CUSTOMER VALUE LEADERSHIP CATEGORY

Aug. 8th, 2017

New facility offers turnkey solution for remounting and refurbishing ambulances

MILWAUKEE--(BUSINESS WIRE)-- REV Group (NYSE: REVG), a \$2.4 billion manufacturer of industry-leading specialty vehicle brands and leading provider of parts and services, is pleased to announce that its REV Remount Center has been awarded a 2017 Award in the category of Customer Value Leadership by Frost & Sullivan's Manufacturing Leadership (ML) Council.

Now in its 13th year, the ML Awards program honors organizations and individuals that are shaping the future of global manufacturing. Nominations are entered into 13 categories and evaluated and scored by a panel of expert judges. Award winners represent small and large enterprises in a broad range of manufacturing markets that leverage best-in-class-processes, technologies and teams to differentiate themselves from the competition.

"It's an honor to win this award and validate the dedication we have in making this facility best-in-class in providing exceptional customer value," said Robert Collins, President of REV Ambulance Group. "Our remounting facility provides the capacity, capabilities and equipment to restore an ambulance to the extremely high standards of quality and safety in our industry."

The REV Remount Center extends the life of ambulances and emergency vehicles in its 200,000 square foot facility offering full remount, painting and interior refurbishing services. Located in Jefferson, NC, the REV Remount Center is a first-of-its-kind facility to offer a full-service center under one roof, dedicated to providing customers these services. It not only features dedicated production space to the remounting operation, but also offers a state-of-the-art painting and preparation operation.

About REV Group

REV ([REVG](http://www.revgroup.com)) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. REV serves a diversified customer base primarily in the United States through three segments: Fire & Emergency, Commercial and Recreation. REV provides customized vehicle solutions for applications including: essential needs (ambulances, fire apparatus, school buses, mobility vans and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles ("RVs") and luxury buses). REV's brand portfolio consists of 29 well-established principal vehicle brands including many of the most recognizable names within our served markets. Several of REV's brands pioneered their specialty vehicle product categories and date back more than 50 years. Investors-REVG
