

REV GROUP ANNOUNCES OPENING OF NEW REV TECHNICAL CENTER (RTC) PROVIDING FIRE & EMERGENCY SERVICES IN FLORIDA

Aug. 8th, 2017

MILWAUKEE--(BUSINESS WIRE)--The REV Group, Inc. (NYSE: REV) today announced the opening of a new REV Technical Center (RTC) in mid-August in Fort Lauderdale, Florida.

Improving longevity of vehicles is a cornerstone of REV's mission. As the company's increasing demand for specialty vehicles has grown, so has the need for a more efficient way to support our customers.

"Opening this facility here in Florida," said Bill Alm, President of REV Group's Fire & Emergency Vehicle Group, "will allow us to better serve our customers in the Southern United States and a better overall support to our customers."

The new 20,000 square foot facility will be used for the assembly and repair of emergency vehicle types, including ambulances, fire trucks and other specialty vehicles.

In addition, the facility features 2,000 square feet of warehousing space for parts inventory, ensuring the most common parts needed for service are readily available. For customer convenience, the service facility features a large office and conference space that provides the ability to conduct pre-build conferences and other client meetings.

Customers and suppliers will be invited to an open house at the facility in mid-August to experience the benefits of the new REV Technical Center firsthand.
